Are you ready to merge your expertise in healthcare with your passion for creating engaging content? Titan Health Corporation's The Learner is on a mission to revolutionize education with a micro-learning platform that bridges the gap in healthcare accessibility.

### **As our Content Creator, you'll:**

- ❖ Develop concise and accurate healthcare content tailored for professionals.
- ❖ Stay ahead of industry regulations and advancements to keep materials fresh and relevant.
- ❖ Collaborate with healthcare experts to craft a curriculum that truly makes an impact.
- ❖ Ensure every piece of content aligns with compliance standards and supports innovation in healthcare education.

### **To succeed in this role, you'll need:**

#### **Experience:**

- ❖ At least 3+ years as a nationally Certified Paramedic (required).
- ❖ Additional certifications like CP-C, FP-C, or CCP-C are a big plus.
- ❖ Previous experience in EMS education or healthcare content creation.

#### **Technical Expertise:**

- ❖ Familiarity with learning management systems, content authoring tools, and multimedia platforms for creating interactive learning materials.
- ❖ Strong understanding of medical terminology and concepts from a background in emergency medicine, paramedicine, nursing, or a related healthcare field.

#### **Core Skills:**

- ❖ Stellar attention to detail to ensure accuracy, compliance, and alignment with evolving standards.
- ❖ Strong research abilities to gather reliable, evidence-based information.
- ❖ Excellent written and verbal communication skills, with the ability to make complex concepts accessible and engaging.

#### **Mindset:**

- ❖ Self-motivation to excel independently, with a collaborative team spirit.
- ❖ Adaptability to thrive in fast-paced environments with shifting priorities.
- ❖ Willingness to work as an independent contractor.
